ORDER:

The Andhra Pradesh Capital Region Development Act, 2014 (Act No.11 of 2014) came into force with effect from the 30th day of December, 2014, through a notification published in the Extraordinary issue of the Andhra Pradesh Gazette, dated 30.12.2014.

2. In the G.O. first read above, the Government notified an area of approximately 7,068 Sq. Km, as detailed in the schedule appended to the notification, as the Andhra Pradesh Capital Region, for development under the provisions of the Andhra Pradesh Capital Region Development Authority Act, 2014.

3. In the G.O. second read above, specific Mandals, villages, towns, and municipalities were notified for inclusion and exclusion from the Andhra Pradesh Capital Region. Subsequently, the jurisdiction of the APCRDA was expanded to cover 8,352 Sq. Km.

4. Pursuant to the notification issued under Section 55(2) of the APCRDA Act, 2014, in the reference 4th read above the Commissioner, APCRDA has submitted the Land Pooling Scheme (LPS) Rules for the Capital Region to the Government. To build a "People's Capital" and facilitate the development of necessary infrastructure projects such as airports, ports, and other vital facilities, a voluntary land procurement mechanism was proposed. This mechanism, based on mutual consent between landowners and the State/Authority, is a unique model known as the *Land Pooling Scheme*. Under this scheme, land parcels owned by individual farmers or groups of owners are consolidated by the Authority under a comprehensive development plan.

5. After careful examination of the proposal, the Government has decided to prescribe the Andhra Pradesh Capital Region Land Pooling Scheme (Formulation and Implementation) Rules, 2025. These Rules shall apply to the Capital Region except the Capital City Area which shall be continued to be governed by the A.P

Capital City Land Pooling Scheme (Formulation and Implementation) Rules, 2015.

6. A copy of this order is available on the Internet and can be accessed at: <http://goir.ap.gov.in/>

7. Accordingly, the appended notification will be published in an extraordinary issue of the Andhra Pradesh Gazette, dated 01.07.2025.

8. The Commissioner, Printing, Stationery & Stores Purchase, Vijayawada, is requested to publish the said rules through notification and provide 300 copies of the same to the Government.

NOTIFICATION

In exercise of the powers conferred by clause (f) of sub-section (2) of section 18 of Andhra Pradesh Capital Region Development Authority Act, 2014 [Act 11 of 2014], the Government of Andhra Pradesh hereby make

the following rules, namely, "Andhra Pradesh Capital Region Land Pooling Scheme (Formulation and Implementation) Rules, 2025".

RULES

1. Introduction:

- (1) In keeping with the will of the Government to build 'People's Capital' and for building the necessary concomitant infrastructural projects like airports, ports and all other necessary projects, the procurement mechanism of the land has been designed to be a voluntary scheme. It is based on mutual consensus between the land owners and the State/Authority. This is a unique method of procurement of land which is named and styled as 'Land Pooling Scheme. This Scheme has been designed for developing the Capital Region wherein the land parcels owned by individual farmers and owners or group of owners are consolidated by the Authority under a development scheme.
- (2) The Land Pooling Scheme itself is a better scheme formulated by the Andhra Pradesh State Legislature owing to the mandate enabled under Sections 107 & 108 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013. By virtue of the surrender made by the land owners participating in the Land Pooling Scheme, the title in the offered land stands transferred in favour of the State/Authority by virtue of the acceptance given by the Competent Authority representing the State/Authority under Section 48(1) of the AP CRDA Act, 2014. According to the agreed Developmental Scheme under Section 43(4)(a) of the AP CRDA Act, 2014, the reconstituted plot is allotted in favour of the land owner who participated in the Land Pooling Scheme in the same area or in any other vicinity land in a single separate sector or in a group of sectors.
- (3) These rules are applicable to the Capital Region. The broad objective of the scheme is to do justice to the families affected by the construction of a Livable and Sustainable Capital Region for the State of Andhra Pradesh and also to the farmers and land owners in the Capital Region and also to make them avail a better compensation and also with a view to make them Partners in the State Development Process. This unique Land Pooling Scheme is designed in such a manner that the participant land owners are fairly and betterly compensated with the allotment of the reconstituted plot along with the developed infrastructure.

Applicability: These rules shall be applicable to the entire area notified as 'Capital Region' under Section 3(1) of the Act **except the Capital City Area which shall be continued to be governed by the Andhra Pradesh Capital City Land Pooling Scheme (Formulation and Implementation) Rules, 2015.**

5. Process and Method to be followed by the Government/ Authority for implementing the Land Pooling Scheme:

- (1) The Government/Authority shall accept the request from any village or group of villages or group of landowners/farmers expressing their consent to participate in the Land Pooling Scheme. The said request would be considered as a voluntary participation of the landowners/farmers in the Land Pooling Scheme under Section 55(2) of the Act.
- (2) The Commissioner is the Competent Authority, can identify the lands so offered for Land Pooling Scheme.
- (3) After such identification made by the Commissioner, he shall obtain the approval of the Authority for initiating the Land Pooling Scheme in the identified area under Section 55(3) of the Act.
- (4) If the Government itself identifies and notifies the intention for any area for Land Pooling Scheme under Section 43(5) & (6) of the Act, the approval of the Authority is not required.
- (5) Once the Commissioner identifies and gets the approval of the Authority to proceed with the Land Pooling Scheme, the Commissioner/Competent Authority is entitled to declare its intention under Section 55(4) of the Act and invite objections under Section 55(5) in the prescribed format in Notification I .
- (6) During the hearing of the objections and suggestions, if the Competent Authority concludes that the notified intended area is required to be modified, the same shall be changed and the modified intention shall be notified under Section 55(6) of the Act. Modified final area shall be notified under this Section as prescribed in Notification-IA. Any Appeal on any orders passed by the Competent Authority on any objections lies with Principal Secretary to Govt., MA & UD Department, and must be filed within fifteen (15) days from date of communication of that order.
- (7) The Competent Authority shall commence the Land Pooling Scheme by verification of the right, title and possession of the consenting land owners pursuant to Section 48(1) & 50 of the Act. In this regard, the Competent Authority is entitled to direct the concerned Revenue officials or the units/teams/officials formed by the Competent Authority/Authority/Government to verify and report back within 7 days about the claim of the consenting land owners under Section 3(6) of the Act.

- (8) The Competent Authority will verify the right, title and possession of the said landowner by following the below mentioned procedure:
- (a) The Competent Authority accepts the Surrender Form, along with the proof of title and possession documents. This Surrender Form shall include the options for reconstituted plot allotment be duly authenticated with Aadhar based authentication and consent in such form and manner which the Government/Authority deems proper. Such form and manner may include authentication with a One Time Password or facial recognition or biometric method. For those persons who do not possess an Aadhar card, their identity may be confirmed using other approved methods.
 - (b) Such title documents are cross verified with the revenue records.
 - (c) The extent of the land so surrendered is physically cross verified through the Surveyor or the units/teams/officials formed by the Competent Authority to ensure the physical availability of the extent offered for surrender.
 - (d) Once the Competent Authority reconciles the availability of the physical extent as per the title documents, then only the landowner is entitled for the reconstituted plot/plots. Hearing to be conducted by the Competent Authority for all the Objections received by the interested parties and Orders confirming the ownership of the landowner must be recorded in writing.
- (9) The Competent Authority is entitled to publish the Draft Notification of the Land Pooling Scheme along with all the provisions to be created and also indicating the scheme of things agreed upon to the land owners calling for their objections and suggestions to be made to the Authority within 30 days from the date of publication of the Notification under Section 56(2) of the Act.
- (10) The said Draft Notification shall be in accordance with the sanctioned developmental plans which are finalized based on the negotiated terms of the development of the said lands. The developmental plan may reserve certain percentage of land for the following requirements in compliance with the Section 44 read with Section 53 of the Act whenever the land is being developed under a layout:
- (a) Parks, playgrounds, gardens and open spaces –10%
 - (b) Roads and utility services – 30%
 - (c) Social infrastructure (ex: schools, health and community facilities) - 5%
 - (d) Affordable housing– 5%
 - (e) Landowners & Authority – the remaining land will be shared between the landowners and the Government/Authority duly following the agreed benefits as described in Rule 16.
- (11) If the Land Pooling Scheme land is allocated for any Airports or any other Infrastructural Projects to be developed by any third-party developer, in such a scenario, the consenting landowners will get their land in a nearby in a single separate sector or in a group of sectors in any other revenue village or area.

- (12) After the Draft Notification is issued indicating the area/villages affected by such developmental schemes, the landowners/farmers owning the lands in the notified developmental scheme area are restricted from using their land under Section 49 of the Act.
- (13) Owing to the above said public notice, if any landowner raises any concerns and objections or if he/she makes any suggestions which are valid, the Authority may consider all such objections and suggestions to the Scheme and may modify the Scheme before finally approving the Land Pooling Scheme. Once such Final Notification of the Land Pooling Scheme is made under Section 57(2) of the Act, the surrendered land by the owners/farmers automatically stands vested in the Government/Authority free from all encumbrances. By virtue of the acceptance of surrender of land, and by virtue of vesting of the said land free from all encumbrances in the Government/Authority, the Government/Authority is empowered and entitled to deal with the said land for the intended purposes without any fetters.
- (14) Once such Final Notification of the Land Pooling Scheme is made under Section 57(2) of the Act, the surrendered land by the owners/farmers automatically stands vested in the Government/Authority free from all encumbrances.
- (15) The Government/Authority whoever takes up the Land Pooling Scheme for development, shall provide the following infrastructure and amenities at their own cost which are as follows:
- (i). road development;
 - (ii). electric lines and street lighting located in exclusive strips of land;
 - (iii). water supply;
 - (iv). sewerage works – distribution network and sewerage treatment facility;
 - (v). storm water drainage network;
 - (vi). rain water harvesting;
 - (vii). telecommunication lines located in exclusive strips of land over ground or in ducts under the surface; and
 - (viii). development of open spaces for parks, playgrounds and avenue plantation without obstructing pedestrian ways or roads
- (16) The landowners shall be entitled to a Land Pooling Ownership Certificate ("LPOC") in their favour as a consequence of Final Notification of the Land Pooling Scheme as per Section 57(3) of the Act.
- (17) The LPOC shall contain the details of the surrendered land along with its Survey Number, Village and Mandal and the extent surrendered. The said Certificate will also contain the details of the allotment of the reconstituted plot along with its Survey Number, Village and Mandal and the extent allotted in the layout/sector/sectors. This LPOC is issued in the prescribed format under Form-VI.
- (18) The details of the standard plot sizes and their codes shall be notified separately by the Government from time-to-time after consultations with the landowners.

- (19) In the case that the Reconstituted Plot is slightly smaller than the entitlement of the Landowner, the remaining extent shall be compensated by the Government/Authority by issuing a Transferable Development Right Certificate.
- (20) The Land Pooling Scheme itself is a better scheme formulated by the Andhra Pradesh State Legislature owing to the mandate enabled under Sections 107 & 108 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013, the LPOC is akin to an award passed in lieu of compensation/acceptance of the surrender of the land by the farmer/landowner. Therefore, such LPOC are exempted from payment of Stamp Duty and Registration charges under Section 96 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013.
- (21) The LPOC so granted in favour of the landowners who surrendered their land in favour of the Government/Authority, will be entered into the Registration records maintained by the Registration Department of the Government of Andhra Pradesh by assigning a Document Number to the LPOC. The said LPOC will also be reflected in the Encumbrance Register maintained by the Registration Department, to enable the landowners to use the LPOC for reckoning the title, mortgaging and any other purposes and for alienating the same to any prospective buyer. In other words, the LPOC is a title and possession document in favour of the Land Pooling Scheme participating owner.
- (22) Once the Government/Authority grants the LPOC to the participating landowner, the said title and possession document will automatically enter and update the Registration Department's Records. The Commissioner is empowered to direct the jurisdictional Registration and Revenue Authorities to merge the records of the CRDA owing to the power conferred upon him in Section 3(6) of the Act.
- (23) The LPOC will be made available as a digital document on the CRDA website and the participating landowners are entitled to download the said certificate online after duly authenticating their identity in the prescribed manner. Such digital LPOC shall be digitally signed and accompanied by a valid digital signature and shall be construed to be the original LPOC which would have been granted in physical form. This LPOC can be downloaded only once by the participating landowners. If additional copies are required, the participating landowners may apply for Certified Copies of the same from the Authority/Concerned Authority.
- (24) After the LPOC is granted, the final Land Pooling Scheme is implemented in the field/ground as per the developmental scheme by developing it as per Section 58 of the Act and it is completed as per Section 59 of the Act.

6. Endowment Lands :

- (1) The settled in favour of endowment/charitable institutions in the settlement register shall be treated as endowment/charitable lands.

- (2) In so far as Endowment/ Charitable Institutions Inam lands where there are Rival claims between Endowments/ Charitable Institutions and Inamdars or their successors, are concerned, they shall be settled as per GO Ms. No.330, dt.11-10-2018.
- (3) The tenants/enjoyers of the aforementioned claims shall substantiate their long-standing possession through adherence to the statutory procedures and policies as applicable.

 - c) As per Act 35/2023, Freehold Rights are given to original assignees/ legal heirs after 20 years for agricultural lands and 10 years for house sites. For these cases decision of the GoM constituted for this purposes will be applied.
- (5) The fourth category of lands are all lands alienated to others are deemed to have been resumed to Government and the ryoths who are cultivating the lands as siva jandars. Therefore, such sales are made void, and their lands are deemed to have been resumed to the Government. If such resumed lands are still under cultivation by the Sivoi Jamadars and they can be sanctioned gracious relief on par with fifth category without annuity.
- (6) The Fifth category of lands are eligible encroachments of unobjectionable Government lands as on the date of declaration of intent, as per Section 55(4) to extend gracious relief to all encroachments which are prior to 01.01.2019.

- (7) The Sixth category of lands are eligible encroachments of objectionable Government lands as on the date of declaration of intent, as per Section 55(4) to extend gracious relief to all encroachments which are prior to 01.01.2019.
- (8) In case of Government lands / assigned lands / endowment lands / wakf lands or such other categories of lands, a field verification or verification of land records and certification of the occupancy / veracity of ownership / claim of the applicant shall be conducted by the Joint Collector upon requisition by the Competent Authority.
- (9) A period of fifteen (15) days shall be provided for filing objections pertaining to the ownership of the assigned lands / endowment lands / wakf lands as determined by the Joint Collector, and such decision shall be published in the concerned villages. Any person aggrieved by the decision of the Joint Collector may prefer an appeal before the District Collector within fifteen (15) days from date of communication of that order, who shall act as the appellate authority, and whose decision thereon shall be final.

9. Lands falling under unauthorized layouts which are not sanctioned by VGTMUDA / CRDA / DTCP: In the Land Pooling Scheme intended area, if any lands are converted into residential plots through unauthorized layouts, and if the plots are already sold in favour of any prospective buyer and if they are registered prior to as on the date of notification of the present Rules, they will be entitled to a nearest standard residential plot in the Land Pooling Scheme upto 65% of his plotted area(including common area), with a maximum cap of 500 Sy Yards.

10. Lands falling under layouts approved by erstwhile VGTM-UDA/CRDA or by the DTCP, and the layouts which have been subsequently regularized by appropriate authority shall be excluded from Land Pooling Scheme.

11. Lands falling in 'Grama Kantam' or 'Agraharam' or 'Abadi' or 'Village Site' and colonies developed under the Weaker Section colonies:

- (1) Only those portions of villages falling within the defined Grama Kantam, Agraharam, Abadi, or Village Site are excluded from the Land Pooling Scheme. These identified areas within each village are to be preserved in their existing form and shall not be subjected to land pooling.
- (2) The area covered by the Village Site/Grama kantam is to be reckoned from the village map and Field Measurement Book ("FMB") and has to be reconciled with the Resettlement Register ("RSR") or Settlement Fair Adangal or Fair Land Register.
- (3) The new colonies developed as Weaker Section Colonies, wherein houses are constructed for the landless and houseless poor persons, such colonies are also excluded and saved from the Land Pooling Scheme.

- (4) In this regard, the Competent Authority is entitled to direct the concerned Survey and Land Record officials, or the units/teams/officials formed by the Competent Authority/Authority/Government to reconcile and fix the boundaries of the respective Grama Kantams with the satellite imagery and survey conducted through drones/rovers/any state of art technologies with a view to avoid any frivolous exemptions under this category.

12. Houses/Structures falling in Extended Habitations:

- (1) If the houses in the existing villages are extended beyond the village maps / FMB, due to increase in population or due to separation in the joint families, or if new settlements happened, such extended village area is called as Extended Habitations.
